

About The Remembrance Project

The Remembrance Project is a national 501c3 not-for-profit tax-deductible organization based in Houston, Texas. Since 2009, The Remembrance Project has served as a voice for Americans who were killed by illegal aliens.

We honor and remember our fellow-citizens who were killed by illegal aliens on our *Stolen Lives Quilt* banners. The quilts “connect-the-dots so that all Americans may know what is taking place across our country. Every killing by an illegal alien was 100 percent preventable!
The Remembrance Project was founded by Tim Lyng and Maria Espinoza.
